

ADVERTISE WITH US!

Advertising with the Pines Dinner Theatre is your ticket to great exposure. Our program is a publication that our audience members really read, take home, and save.

We're a theatre that offers family-friendly entertainment all year long, so advertising with us is a great way to identify your business with a wholesome entertainment value.

Unlike other theatres, we intersperse our advertiser's messages throughout the content of the program, not clumped all together in the front or back. Since our program contains interesting information about their visit, guests are sure to see your message multiple times. And this is even before they leave the theatre.

Our program is a cost-effective way to reach an audience of discerning customers with disposable income.

Your ad will be printed in our programs for all our shows running January through December. That's right...the prices listed will get your ad in programs for one full year! For just pennies per person, you can reach over 12,000 potential customers!

To advertise with us, complete the attached form. Questions? Call us at 610-433-2333 and ask for Oliver, or email us at info@pinesdinnertheatre.com
