

It's the annual convention of the International Man of Mystery Super Spy Society where every famous detective comes to see and be seen. Not only will the room be crawling with men of mystery, but rumor has it that the beautiful

but elusive Princess Isabella Monaco will be in attendance as well. But when the Princess' jewels are stolen, and then turn up in the possession of a once very healthy, but now very dead thief, it's up to everyone in attendance to help determine who done it.

Sophisticated, suave with a dash of mischief, this hysterical comedy based on the popular MGM film features two con men in the French Riviera. After meeting on a train, they attempt to work together, only to find that the small French town isn't big enough for both of them. They agree on a wager: the first one to extract \$50,000 from young heiress Christine Colgate wins, and the other must leave town. A hilarious battle of cons ensues that keeps you laughing, humming and guessing to the end!

Hot on the heels of their original success, the Little Sisters of Hoboken take their show on the road to Las Vegas, to stage a "thank-you" show for all the people who have supported them in the past. But things don't quite go according to plan, as the Sisters discover there is a talent scout in the audience to see them strut their stuff, and two Franciscans come to claim Sister Mary Amnesia as one of their own. From start to finish, this holy-rolling show will have you rolling in the aisles!

Three men and three women make up the cast of this wacky musical that takes a comic look at the "age old" conditions and situations faced in mid-life! From reading glasses and mammograms to weekend warriors and proctology exams - all are lampooned in this crazy show all about growing older. Everyone will relate to this hilarious, and at times, touching musical about the curiosities and inevitabilities of middle-age. If you bought some Gingko-Biloba, but can't remember where you put it - then you're ready for mid-life!
